***** Please announce to students with whom you work *****

If you wish to begin working as a co-op student Summer 2013, Fall 2013, or Spring 2014 . . . NOW is the time to register with the AU Co-Op Program . . .

Co-Oping @ Auburn allows you the opportunity to gain career-related work experience while also earning a significant wage . . . over $16.50 per hour average (see: http://www.auburn.edu/co-op/documents/AuburnCo-OpSalaryInfoApril2012.pdf) for sophomore-level technical majors. At graduation time, students with co-op work experience often command the highest $alaries, are more likely to receive multiple job offers, and typically find employment significantly faster than their peers without professional work experience.

I encourage you to attend a Co-Op Registration meeting as SOON as you can . . . since we operate on a "first come, first served" basis. All sessions are held in Lowder Hall (College of Business Building). Meetings offered for Spring 2013 are listed at: http://www.auburn.edu/co-op/registrations_sub.htm Click on "Current Registration Sessions".

NOTE: If you are already registered with the Auburn Co-Op Program, please phone the office @ 334-844-5410 and set up a time to meet with your Co-Op Coordinator (Kim Durbin or Jeff Brackin). It is NOT necessary for you to go back through the Co-Op Registration process.

For additional information regarding the Auburn Co-Op Program, please phone the office @ 334-844-5410, drop by 104 Ramsay Hall, or contact me directly.

Sincerely,

Kim Durbin, Ed.D.
Director - Cooperative Education (Co-Op) Program
Auburn University
