

PFEN 2008 Summer Seminar Series

- May 13** **Dr. Jeffrey Fergus**
"Materials Challenges in Solid Oxide Fuel Cells"
Associate Professor, Materials Engineering
- May 27** **Dr. Aleksandr Simonian**
"Nanomaterials in Biosensing Applications"
Associate Professor, Materials Engineering
- June 10:** **Dr. Virginia Davis**
"Fluid Phase Processing of Cylindrical Nanomaterials"
Assistant Professor, Chemical Engineering
- June 24:** **Dr. Oladiran Fasina, P.E.**
Associate Professor, Biosystems Engineering
- July 8:** TBD
- July 22:** **Dr. Hareesh Tippur**
Alumni Professor, Mechanical Engineering
- August 12:** **Dr. Yasser Gawayed**
*"Ceramic Matrix Composites Materials: Premises
and Challenges"*
Professor, Polymer and Fiber Engineering

**Seminars held at 3:00 pm, Textile Building Room 104
Refreshments served and an opportunity to meet the speaker
at 2:45 in Textile Room 119**
