Dear Friends and Fellow Supporters of Auburn University Civil Engineering:

We are pleased to announce plans for our 9th annual Auburn University Civil Engineering Scholarship Endowment Golf Tournament. This year’s event will be held on Monday, August 8, 2005. For the sixth consecutive year, the tournament will be played at the challenging Tannehill National Golf Course in McCalla, just west of Birmingham. Thanks to sponsors and players involved in our previous eight tournaments, we have raised thousands of dollars for scholarships to promising and deserving young Auburn students. We look forward to continuing the tradition with your valued support and participation, along with that of new sponsors and players.

*Please return registration information and fees by Friday, July 29, 2005.*

See you at Tannehill National on August 8 …
