(EXAMPLE REPORT)
ECE Ph.D. Student Annual Report: 2020
for the period 16 Aug 2019 - 15 Aug 2020

Email completed form to ECE Graduate Program Officer <hungjoh@auburn.edu>, before September 30, 2020.

If you have created a personal ePortfolio that describes you and your doctoral studies, then SKIP to “ePortfolio Report” (on page 2, the next page).

1. Personal Information

   Name: John Doe

   Matriculation Semester (when you started the Ph.D.): Fall 2018

   Financial Support (GTA, GRA, Fellowship, none): Woltosz Fellowship

   Major Professor: Prof. T. Maxwell

   ePortfolio status: None, but I will start one next year.

2. Coursework and Major Milestones

   a. Coursework (list courses completed)
      ELEC 7190, 7250, 7500
      MATH 7100
      MECH 6450

   b. ECE Ph.D. candidacy completion date 15 March 2020

   c. Ph.D. general exam completion date (Planning for end of Spring 2021)

3. Research

   a. A brief description of your research (objectives) LIDAR-augmented GPS navigation using particle filter

   b. A brief summary of your research progress for this past year.
      Conducting experiments to compare particle filter and Kalman filter

   c. List of publications. List in IEEE format (if not published or presented, indicate if accepted or submitted).

      i. Refereed journal publications

      ii. Conference proceeding papers

      iii. Presentations
4. Other (optional)

5. Comments from your Major Professor
   John Doe has recognized a need to take more courses in signal processing, but is making very good research progress. He plans to take the PhD General Examination next year.
All graduate students are encouraged to develop and maintain personal ePortfolios that describe themselves and their academic and professional activities.

Guidelines for ePortfolios can be found at [http://www.eng.auburn.edu/ece/academics/ece-assessment.html](http://www.eng.auburn.edu/ece/academics/ece-assessment.html) under the section titled “Graduate Program Assessment and Forms.”

Doctoral students who maintain ePortfolios may choose to complete and submit this page instead of the usual ECE Ph.D. Student Annual Report (page 1).

1. Name: John Doe
2. Matriculation semester (when you started the Ph.D): Fall 2018
3. URL address of your ePortfolio: [http://address-of-my-e-portfolio.com](http://address-of-my-e-portfolio.com)
4. Name of major professor (leave blank if there is no advisor identified): Prof. T. Maxwell
5. Comments from your major professor:
   
   John Doe has recognized a need to take more courses in signal processing, but is making very good research progress. He plans to take the PhD General Examination next year.
