ENGINEERING STUDENT SERVICES TUTORING
SUMMER 2019

Individual Tutoring by Appointment
Engineering Student Services offers free tutoring Monday through Friday and on Sunday afternoons. Monday through Thursday appointments are 1-hour sessions from 9AM until 3PM (last appointment begins at 2PM). Friday is a shorter day with the last appointment beginning at 1PM. Sunday appointments are offered from 3PM to 5PM (last appointment begins at 4PM).

Visit the website for more information: aub.ie/engtutoring

Courses Tutored:

**CHEM**
1030 – Fundamentals of Chemistry I
2070 – Organic Chemistry I

**CIVL**
3010 – Civil Engineering Analysis

**COMP**
1200 – Matlab
3240 – Discrete Structures

**CHEM**
2100 – Principles of Chemical Engineering
3600 – Computer Aided Engineering

**CIVL**
3010 – Civil Engineering Analysis

**ENGR**
2010 – Thermodynamics
2050 – Statics
2070 – Mechanics of Materials
2350 – Dynamics

**ENGR**
2010 – Thermodynamics
2050 – Statics
2070 – Mechanics of Materials
2350 – Dynamics

**MECH**
2110 – Statics & Dynamics
2220 - Computer Aided Engineering
3020 – Thermodynamics II
3130 – Mechanics of Materials

**MATH**
1610 – Calculus I
1620 – Calculus II
2630 - Calculus III
2650 – Differential Equations
2660 – Linear Algebra

Appointments should be scheduled through Advise Assist in AU Access.

- Go to AU Access and click on Advise Assist (the owl)
- Choose "Make Appointment"
- Choose Care Unit: "Engineering Student Tutoring"
- Choose Location: "Engineering Student Tutoring"
- Choose Service: If you want tutoring in one of the courses in the drop down menu, click the course. If not, close this box and . . .
- Choose “My Courses” then select the course desired.
- Continue to follow the prompts to confirm an appointment.
