

A Local Technical Assistance Program - LTAP

ALABAMA TECHNOLOGY TRANSFER CENTER

AT AUBURN UNIVERSITY

Presents a Seminar on

Surveying Standards of Practice & Professional Ethics

Pelham

Montgomery

December 4, 2018

December 5, 2018

Milton Denny, PLS, will walk you through all aspects of the new standards so you can be sure you are practicing according to the new laws. Additional information will be provided on other standards, such as the ALTA/ACSM standards and how they relate to Alabama Standards of Practice. In addition, this course covers the history of ethics, and gives guidance on professional issues dealing with responsibility and standard of care. It provides answers to everyday problems that arise in the day to day functioning of land surveyors. The course's coverage of ethics, as it relates to those in the field and office, including the real-life examples of ethical issues, are covered.

This workshop should be of direct interest to those people who practice surveying, but also those who work in the civil engineering field, including county engineers, city engineers, public works officials, transportation engineers, DOT personnel, Federal employees, contractors, and consultants.

Please complete and return the enclosed registration form. A fee of \$175.00 per person should be mailed with your registration. Payment may be made by phone or fax if paying with a credit card or government agency purchase order. Registrants are reminded that registration is not complete until payment is made. The registration fee includes handout materials, break refreshments, lunch and a certificate of participation. Thank you for your continued support of the Alabama Transportation Assistance Program.

Seminar Instructor

Milton E. Denny, PLS

Mr. Denny is a registered surveyor in six states and a veteran of surveying, mapping, and GIS. His special interest has always been in project development and management of firms. He is a past president of the Alabama Society of Professional Land Surveyors, a Fellow in the American Congress on Surveying and Mapping and served for many years on the Board of Directors. Mr. Denny is the author of many manuals dealing with surveying, mapping, and GIS. He is a nationally known speaker and lecturer on these subjects and writes a column called, *"The Business Side"*, for a trade magazine. He was instrumental in the starting of a new member organization in the American Congress on Surveying and Mapping called, *"The Geographic and Land Information Society"*. Since retirement, he has formed the firm of Denny Enterprises, LLC to better serve the surveying and mapping community. He is currently teaching professional development classes for Auburn University at off-campus locations, as well as, basic and advanced surveying for the Alabama Department of Transportation.

1:00 p.m.	Seminar Instruction Continues
2:15 p.m.	BREAK
4:00 p.m.	Seminar Evaluations, Certificates, Adjournment

Locations

Pelham, December 4, 2018

Pelham Civic Center
500 Amphitheater Road
Birmingham, AL 35124
205-620-6488

Montgomery, December 5, 2018

Hilton Garden Inn Montgomery - East Chase
7665 East Chase Parkway
Montgomery, AL 36117
334-244-0101

Continuing Education Units

Participants completing this seminar will receive 0.60 Continuing Education Units (CEUs). The CEU is a nationally accepted measure of continuing education credit and is awarded at the rate of one CEU for each ten contact hours of qualifying instruction. Auburn University makes every effort to ensure that the CEU granting programs conform to the requirements of the State of Alabama Board of Licensure for Professional Engineers and Land Surveyors for the award of Professional Development Hours to support the annual renewal of professional licensure.

Sponsorship

This seminar is one of the series of conferences and workshops being conducted as part of the Alabama Transportation Assistance Program at Auburn University. This program is a part of the Local Technical Assistance Program (LTAP) supported by the Federal Highway Administration, the Alabama Department of Transportation, and Auburn University.

This seminar is the 364th offered, with more than 45,000 attendees, since the program's inception in 1983. The Alabama Transportation Assistance Program is administered at Auburn University through the Department of Civil Engineering. For further information and suggestions for future programs, contact Rod Turochy, Department of Civil Engineering, at 334-844-6271 or rodturochy@auburn.edu.

Accommodation of Participants with Disabilities

It is the policy of Auburn University to provide accessibility to its programs and reasonable accommodation for persons defined as having disabilities under the Americans with Disabilities Act of 1990. Please contact us at least two weeks prior to the event so that proper consideration can be given to any special needs.

Cancellation Policy

We understand that circumstances may arise that could require you to cancel your registration, and we make every effort to accommodate your needs. Due to commitments to our instructors and facilities, the registration fee is not refundable if a registrant withdraws less than five working days before the seminar. You may substitute registrants; please notify us in advance if possible. Non-paid, no show registrants will be invoiced for the full cost of the seminar. Alabama Transportation Assistance Program reserves the right to cancel or modify any program offering, but will provide registrants the option of a full refund. Auburn University will not be responsible for expenses incurred by a registrant as the result of a cancelled or rescheduled program.

Registration

Your pre-paid registration guarantees you a seat in the seminar as well as information on any changes to the seminar. Registration on the day of the seminar will be accepted on a space available basis, but enrollment will close when the capacity of the seminar is reached. **Participants are reminded that registration is not complete until payment is received.**
