FEATURED DEPARTMENT:
COMPUTER SCIENCE AND SOFTWARE
FEATURED DEPARTMENT: COMPUTER SCIENCE AND SOFTWARE

Computer scientists and software engineers design, analyze and develop software for the computer systems and networks that power today’s world. Whether you’re playing a video game, downloading MP3s, talking on a cell phone or driving a car, you’re depending on software. More than ever we require software that is engineered to demanding performance, reliability and safety standards that meet our needs every day. The individuals with the critical expertise to engineer this software are computer scientists and software engineers. It’s these professionals who make the magic happen.

Auburn’s Department of Computer Science and Software Engineering offers three undergraduate degrees to prepare students for success in the world of computing:

• Bachelor of Science in Computer Science
• Bachelor of Software Engineering
• Bachelor of Wireless Engineering

Parking

We have designated a location for automobile and bus parking. You do not need a parking pass to park in this location.

Automobiles: After turning onto Samford Ave, continue past the Auburn Theater and Duncan Dr. Take a LEFT on Donahue Dr. You will pass a red pavilion on your right. Cross Lem Morrison Dr. and look for signs and a curb cut on your left leading into the gravel field. Tiger Transit will provide shuttle service to and from the Student Center at 15-minute intervals from 8 a.m. to 3 p.m. CST.

Buses: After turning onto Thach Ave, take your first LEFT on Mell St. Pull to the right-hand curb, just past the Tiger Transit stop. Do not let the students off of the bus until one of our E-Day volunteers gets on to greet them and let them know where they need to go. Also, please do a head count and provide the students with a time for pick up at the end of the day. Pick up and drop off will be in the same location.

To park, continue down Mell St. and take a RIGHT on Samford Ave. Continue past the Theater and Duncan Dr. Take a left on Donahue Dr. You will pass a red pavilion on your right. Cross Lem Morrison Dr. Look for signs and a curb cut on your left leading into the gravel field.
