March 29, 2004

All AE Graduates Since 1997

Dear AE Graduate:

As one of our graduates, you are very important to this department. The principal reason we exist is to provide the opportunity for students, like you were not so long ago, to become aerospace engineers. To do the best job we can in providing this opportunity, we need feedback from you.

In fact, getting feedback from our graduates so that we may continuously improve our undergraduate program is a vital part of the process of maintaining its accreditation through the Accreditation Board for Engineering and Technology (ABET). You can help us maintain accreditation of our program by completing the questionnaire provided at http://www.eng.auburn.edu/programs/aero/alumni/ae-graduates-please.html and mailing it to Ms. Ginger Ware, waregin@eng.auburn.edu. The information you and other alumni provide will be used in assessing how we are doing in achieving our educational objectives. If you desire to remain anonymous, just fill out the questionnaire and mail it in an unmarked envelope to me at the above address.

Please complete the questionnaire by April 16, 2004. Again, the information we are gathering will be used to improve our program and will be included in our accreditation report.

If at any time you would like to provide information on what you have done since graduation, please do so by letter or e-mail. You and your fellow AE alumni, our current students, and the AE faculty are the sources of our department’s reputation. We all can benefit by working together to enhance it.

Thanks for your time and consideration.

Yours truly,

John E. Cochran, Jr. ‘66

Professor and Head
