

# THE AI NEXUS:

## The Arts, Humanities & Engineering Converge

FEB. 12, 2026 | 8 AM – 4 PM  
MELTON STUDENT CENTER, 2222/2223

Join us for an exciting conference that examines how AI is not only changing technological landscapes but also reshaping human creativity, communication and social structures.

### FEATURED SESSIONS & EXPERIENCES

*Does AI Need the Humanities and the Arts?* with Elay Shech, PhD

*AI Anonymous:* an original performance by The Mosaic Theatre Company

**Podcast Table:** Learn how to “lock in” your sound and produce professional-quality podcasts and a special appearance by Aubie from 8:15–8:50 a.m.
