

Alabama Transportation Assistance Program presents a webinar on

Ethics

Instructed by: Scott Tison

January 14, 2026

9:00 AM – 12:00 PM CST

This course focuses on the importance of ethics in State and Local government. Course content includes legal requirements and restrictions under Alabama State Law that apply to public officials and employees – conflicts of interest in public contracting, prohibition on accepting gifts and favors from vendors and contractors, misuse of confidential information and misuse of public resources (otherwise known as embezzlement). You will walk through real-life examples to help bring to life the practical application of ethical decisions. From lifelong public servants to unexpected political movements, learn about various state requirements that are layered on top of professional codes. When you complete this webinar, you will know where to find relevant references to ensure that you are informed. You will also be able to determine the rules that apply to your work and have experience examining the application of the rules.

This course is applicable to local agency employees and others who are responsible for managing and maintaining roadway systems.

The cost of the webinar is \$50.00. Please register at <https://aub.ie/01-2026-ethics>. Participants completing this webinar will receive 0.30 Continuing Education Units (CEUs), 3.0 Professional Development Hours (PDHs). Certificates of participation will be emailed after the webinar. Thank you for your continued support of the Alabama Transportation Assistance Program.

Webinar Instructor

Scott Tison

Scott Tison, Associate Director of the Technical Training and Assistance Program (ATAP), is one of the nation's foremost subject matter experts in construction safety (work zones), roadside appurtenances, and transportation materials. Mr. Tison has worked with various LTAP Centers across multiple states. Mr. Tison is a member of several Transportation Research Board committees, including Traffic Control Devices (ACP 55), Tison is also a member of the National Committee on Uniform Traffic Control Devices (MUTCD) and has assisted the American Association of State Highway and Transportation Officials (AASHTO) with developing their T3 Curriculum.

Cancellation Policy

We understand that circumstances may arise that could require you to cancel your registration, and we make every effort to accommodate your needs. Due to commitments to our instructors and facilities, the registration fee is not refundable if a registrant withdraws less than five working days before the workshop. You may substitute registrants; please notify us in advance if possible. Non-paid, no-show registrants will be invoiced for the full cost of the workshop. ATAP reserves the right to cancel or modify any program offering but will provide registrants with the option of a full refund. Auburn University will not be responsible for expenses incurred by a registrant as the result of a cancelled or rescheduled workshop.
