## CO-OP

**Interested in hands-on experience while in college?  
Consider Auburn University's Co-op program.**

- 90% of all co-op students are enrolled in the Samuel Ginn College of Engineering.
- 97% of engineering students who co-op have either a full-time job, offer, or are in graduate school within six months of graduation.
- The average co-op student salary is \$18 per hour.
- More than 100 companies recruit AU students for co-op positions each year.

## CDCR EVENT SNAPSHOT

Our office organizes a wide range of events that can help you network with professionals in your field, practice your interview skills, and anything in between.

### Fall 2019:

- 355 companies visited campus to recruit Auburn Engineering students for internships, co-ops, and full-time positions
- 81 events including career development workshops and company-focused information sessions and interviews

### Featured Events:

Co-op/Internship Company Meet and Greet

Mock Interviews with Young Alumni

Career Fair Employer Preview and Networking Night

Engineering and Technology Career Fair

Career Fair Next-Day Interviews

Huntsville Industry Day

Auburn/Opelika Industry Day
