

# CHI EPSILON

The Civil Engineering Honor Society

## MORNING SESSION (10am-12pm PT)

### Opening Plenary

- Auburn Introductions includes message from Dean.
- Welcome/Opening & NC Introductions.
- Address from Executive Director – State of XE and Highlights of 2023.
- Quick overview of working groups and how rooms will be structured.

### Morning Breakout

Morning Working Groups – *Members will be distributed among six sessions noted below, based on registration sign up preferences and availability.*

1. **Current Bylaws/Constitution/Governance** – Streamlined bylaws from 61 pages to 8 pages (constitution now a part of bylaws). Review and discuss adjustments, possible ratification in the afternoon.
2. **ASCE/XE Merger Integration** – Exploratory discussion around how chapters envision the two organizations coming together/leadership opportunities for XE.
3. **Scholarships** (15K available annually) – Discussing the best way to distribute funds to chapters.
4. **Social Media Presence** – Identifying chapters with a strong presence and strategizing on best ways to reach students where they are at.
5. **Membership Pathways** – Discussing the process from invitation to initiation. Sharing best practices and ideas.
6. **Revival/Fundraising** – Session focuses on exploratory ways to reestablish Chi Epsilon's relevance post-pandemic, focusing on the challenges that keep students from joining XE and how we can effectively address them. This includes overcoming induction struggles and financial obstacles. Includes collaborative discussion around fundraising/brainstorming ideas.

### Closing Plenary

- Morning Wrap Up/Designees from each working group will have 2-3 minutes to report on action items, lessons learned, best practices established (if any), and next steps.

## LUNCH BREAK (12pm-1pm PT)

- Video tour of Auburn's campus
- Lunch Break – Open break out rooms if members wish to congregate within districts.

## AFTERNOON SESSION (1pm–3pm PT)
