Exam Honesty Statement

The following “Honesty Statement” is to be included at the beginning of all exam/quiz papers that you provide to students. The intention is to make students aware that we, as a department, consider honesty to be important (essential) and that we uniformly and consistently expect honesty in all academic matter.

Departmental Honesty Statement: By affixing my signature below, I acknowledge I am aware of the Auburn University policy concerning academic honesty, plagiarism, and cheating. This policy is defined in the current Tiger Cub Student Handbook, Code of Laws, Title XII, Student Academic Honesty Code, Chapters 1200-1203. I further attest that the work I am submitting with this exam is solely my own and was developed during the exam. I have used no notes, materials, or other aids except those permitted by the instructor.
