ENGINEERING STUDENT SERVICES TUTORING
1145 Brown-Kopel Student Achievement Center
SUMMER 2022

Visit the Engineering Tutoring website for more information: aub.ie/engtutoring

Tutoring by Appointment: Engineering Student Services offers FREE tutoring Monday thru Thursday and on Sunday afternoons this summer. All appointments are scheduled through Advise Assist (the owl icon) from the student’s AU Access page. Choose “Academic Coaching & TUTORING for ENGR Students” and follow the prompts from there. The student may choose an in-person appointment or a virtual appointment at the time of scheduling.

Courses Tutored

AERO
2200 – Aerospace Fundamentals
3110 – Aerodynamics I

CHEM
1030 – Fundamentals of Chemistry I
1040 – Fundamentals of Chemistry II
2070 – Organic Chemistry I
2080 – Organic Chemistry II

CHEN
2100 – Principles of Chem Engineering
2110 – Chem ENGR Thermo
2610 – Transport I
2650 – Appl of Math Tech
3370 – Phase and Reaction Equilibria
3600 – Computer Aided Engineering
3620 – Transport II
3650 – Chem Engineer Analysis
3660 – Chem Engineering Separations
3700 – Chem Reaction Engineering
3820 – ChemE Lab 1

CIVL
2010- Surveying

COMP
1200 – Matlab
1210 – Fund. of Computing I (Java I)
2210 – Fund. of Computing II (Java II)
2710 – Software Construction
3240 – Discrete Structures
3270 – Introduction to Algorithms

ELEC
2110 – Circuit Analysis
2220 – Digital Logic Circuits
3810 – Fund. of ELEC Engineering

ENGR
2010 – Thermodynamics
2050 – Statics
2070 – Mechanics of Materials

INSY
3600 – Engineering Economy

MATH
1610/7 – Calculus I
1620/7 – Calculus II
2630/7 – Calculus III
2650 – Differential Equations
2660 – Linear Algebra

MECH
2130 – Mech Engr Statics
2140 – Kinematics & Dynamics
2220 – Computer Aided Engineering
3020 – Thermodynamics II
3030 – Fluid Mechanics
3040 – Heat Transfer
3120 – Mechanics of Materials
3140 – System Dynamics & Controls

PHYS
1600/7 – Engineering Physics I
1610 – Engineering Physics II
*PHYS is also tutored in the Leach Building

STAT
3010 – Statistics for Engineers & Scientists
3600 – Probability and Statistics I
*Statistics is also tutored in the Math Dept.

Cancellation Policy: All appointments must be canceled at least 4 hours prior to start time. Late cancellations automatically count as a no-show. Advise Assist will lock the account after 3 no-shows in a 30-day period. If your account is locked the message “No Appointments Available” will appear. In this case, email tutor@eng.auburn.edu to request your account to be unlocked. Before your account can be unlocked you will be asked to confirm that you understand the cancellation policy and will abide by it moving forward.

To Cancel an Appointment: Open Advise Assist from your AU Access page and go to your calendar icon. Open the calendar and double click on the appointment to open it. Choose "Cancel Appointment" on the bottom left then choose "Student Cancel" and note your reason for cancelling.
