Let it Snow, Let it Snow, Let’s Make Some Snow!

Materials:
- Medium sized bowl
- 16 ounces of baking soda
- 6 ounces of white foamy shaving cream
- White glitter

Directions:
1. Pour baking soda into bowl.
2. Add shaving cream into the bowl.
3. Pour as much white glitter as you want into the bowl.
4. Mix ingredients until they create a snowy consistency.
5. Have Fun!

Happy Holidays from the Samuel Ginn College of Engineering!
