Vladimir Eganov

Kick-off Celebration Re-cap

4 - Enjoying visiting with President Roberts
(Pictured from L to R: Tyler Long, President Christopher Roberts, Jake Ward, Nick Ott)

Thank you to all who joined us for our May 14th kick-off celebration! We had a blast hosting AU President Christopher Roberts, many of our 2022-2023 and 2021-2022 sponsors, and a number of the team's supporters!

3 - Members of the team give a "Show and Tell" of Nova's computers and sensor suite (Pictured from L to R: Nick Ott, William Murphy, Bryce Karlins, Jake Ward, Steven Pilgrim, Tyler Long, Greg Mifflin, Stephanie Meyer)

2 - Onlookers enjoy an up-close introduction to Nova

Attendees enjoyed a demonstration of the autonomous racecar, a presentation recognizing the 2021-2022 team, and showing off all of these students' hard work!

Important Dates and Reminders

End of May, 2022	Nova Returns to IMS for Season 2 Refresh
November 11, 2022	Indy Autonomous Challenge at Texas Motor Speedway
January 7, 2023	Indy Autonomous Challenge at CES at Las Vegas Motor Speedway

We are so grateful to all of our sponsors! Because of your generous gifts, our team has the resources to compete, research, and travel, all advancing the innovation taking place in autonomous racing. If you would like to give, please reach out to Kelly Bates at keb0115@auburn.edu or call (334) 844-4812.
