

AUBURN UNIVERSITY

SAMUEL GINN
COLLEGE OF ENGINEERING

“Sam’s Clubs”

Auburn Engineering Student Clubs and Organizations Information Session Guide Checklist

Parking on Campus:

You can park in the Wilmore Drive Parking Lot (there are visitor spots available), the corner of Magnolia Avenue and Toomer Street (next to the Lambda Chi Fraternity House), the Lowder Business Lot off of War Eagle Way or the Magnolia-Donahue lot in A or B zones. Those lots are highlighted on the attached map.

Prior to your visit, you will receive a parking email with a link to select. Click the link and enter your contact information, including name, email address, and phone number.

- Select the permit that is available
- Add vehicle information
- Select complete guest permit invite

Hotel Options:

Here are some hotel options for you and your team. The Auburn University Hotel and Dixon Conference Center is very convenient to campus. The link below should give you a variety of options to meet your needs and budget.

<https://newks.com/dining-menu/auburn-dine-menu/>

334-821-5954

Topics of Interest for Information Sessions:

We've discovered a few topics of interest in which students seem to engage more during Information Sessions. Please see the topics listed below:

Professional Development

- Tech Talk
- Projects the Company is currently working on
- A Day in the Life

Wireless Access:

Please let us know if you will need Wi-Fi access during your campus visit. We can get you registered prior to your arrival.

NACE (National Association of Colleges and Employers) Guidelines:

Auburn follows the NACE Guidelines and Principles for Ethical Professional Practice. NACE's *Principles for Ethical Professional Practice* are designed to provide everyone involved in the career development and employment process with two basic precepts on which to base their efforts: maintain a recruitment process that is fair and equitable; support informed and responsible decision making by candidates. Please refer to the link below:

<https://www.nacweb.org/career-development/organizational-structure/principles-for-ethical-professional-practice/>

If you have any additional questions or concerns regarding your upcoming visit, we are here to assist. **Closer to your visit, an itinerary will be emailed to you regarding the specifics of your day.** We look forward to having you on Campus. Thank you for choosing Auburn to recruit top notch Engineering students!

Respectfully,

Engineering Student Clubs/Organizations Team
