

Dr. Maghsoodloo,

I just wanted to give you an update on what I have been up to. I got married in December 2006. I received a Master's Degree in Operations Research from AFIT in 2008. Since then I have been working at the Naval Surface Warfare Center in Panama City, FL (Brian + I live in Lynn Haven, FL). I work primarily with the Marines on the Force Protection Side of Warfare Analysis. My husband, Brian, (I think that you met him) graduated from AU w/ a ~~gov~~ degree in Chemistry. He now works for Applied Research Associates as a contractor for the AF.

I wish you and your family a
wonderful Holiday Season!

May the gifts of peace and good will
be yours this Holiday Season.

Love,

Emily + Brian Evans
